

## **Rose Hamilton Elementary Preschool**

We believe that preschool education is the best foundation for school success. We are happy to provide top quality preschool programming at Rose Hamilton Elementary. Preschool follows the school calendar. The morning class meets Monday-Friday 8:15-11:00. You may drop off at 8:00. The afternoon class meets Monday-Friday 11:50-2:35. You may drop off at 11:45. Students with special needs and peers will make up each class. Space is limited which requires us to have a waiting list. We recommend that you place your child on the waiting list up to two years in advance.

Preschool programming includes: Literacy Stations, Minds in Motion and Handwriting Without Tears. Weekly themes are established. Each child will have individual goals and time spent with the teacher working toward kindergarten readiness.

The peer group must pay a registration fee and weekly flat rate for preschool. A copy of your child's birth certificate and shot records are required at registration.

For more information or to place your child on the waiting list contact Debbie Cox at: **[dcox@centerville.k12.in.us](mailto:dcox@centerville.k12.in.us)**
